

TestCase

```
graph BT;
    A[getDataTest] --> B[TestCase];
```

The diagram consists of two rectangular boxes. The top box is white with a thin gray border and contains the text 'TestCase'. The bottom box is gray with a thick black border and contains the text 'getDataTest'. A solid blue arrow points vertically from the top center of the 'getDataTest' box to the bottom center of the 'TestCase' box, indicating a generalization or inheritance relationship.

getDataTest
